A message from the President

I hope you are all well and safe in these extraordinary times of the global COVID 19 pandemic. I am preparing this Newsletter to get to you now rather than the beginning of Term 2 due to the uncertainties we are facing in the current ever-changing environment. BEWA is either cancelling or postponing any activity that involves group meetings. We are also rushing your Semester One exams to you next week. (Please ensure that you are a financial member and that your exams are paid for so that we can do this.) In the meantime, please keep yourself and your family safe.

2020 BEWA Annual General Meeting deferred

The 2020 BEWA AGM that was to be held on 6 April has been deferred. We will inform you of a new date for the AGM in May/June, depending on circumstances within Western Australia.

2020 Plan Your Own Enterprise Competition

Attached to this Newsletter is an entry form for the 2020 competition, which will go ahead this year with some great prizes for national winners. BEWA will also ensure that prizes are awarded to worthy business plans from WA students. It is an ideal research task for students to undertake if they are studying at home.

BEWA Exams

Please note that these exams are for sale to 2020 **financial BEWA members only, with no exceptions**. We are doing our best to get the exams to you next week instead of Week 10 as originally advertised. If you have ordered exams, please check with your Accounts Department that you are a paid up member of BEWA and that you have paid for the exams.

2019 Good Answer Guides

Due to the ever-unfolding COVID 19 restrictions in Western Australia, it has been decided not to form a working party to produce the 2019 Good Answer Guides for BME and ACF WACE exams.

2020 BEWA Conference

Hopefully, with the pandemic over, this year's 2020 BEWA Conference is to be held on Monday 30 November at the University of Western Australia Business School. Save the date!

ACF Professional Learning on the Conceptual Framework definitions

We were in the process of organising a free workshop for financial members regarding the changes to the AAS Conceptual Framework definitions, but due to the current crisis, will instead be sending members the resources prepared by the presenter to teach the new Framework definitions required in ACF ATAR Year 11. Register at bewa@iinet.net.au with the subject line **ACF PL Conceptual Framework** and these will be sent to you as they become available.
