Individual Membership

Important information for schools paying an individual's membership

Institutional Membership for a school is \$120 per annum, allowing all your nominated teachers at the school to access member benefits including the right to purchase BEWA Exams for use with their current students as well as future teachers/students. If you donate \$65 to one of your teachers to become an Individual Member, then that teacher is bound by Individual Membership obligations. They may not share any BEWA Exams with another teacher, or allow any future teachers at the school to use them. If you wish copies of the BEWA Exams to remain at your school, then you must pay for Institutional Membership
